## The Role I am Destined to Play

The Role I am Destined to Play
><br> This is the role
> I was destined to play<br> Watching, waiting
> until the day<br> When the eight will come
> And the world will be saved<br>
> It may never happen<br> It may take some time
> But I will wait,<br> For I have to stay-
> Because this is the role<br> I was destined to play
><br> No turning back now
> No chance for regrets<br> As long as it takes
> I will wait, and hope for the best<br>
> I will do what I must<br> I will play my role through
> No matter what the end<br> These things I must do
> <br> Regrets? I have none-
> Naught else I could do<br> When worlds are at stake,
> Who can refuse?<br>
> Soon my role will be over<br> The curtain will fall
> I will not be sad<br> No, not at all
> And when my time has come,<br> this I say:
> I will go with a smile, <br> For this is the role I was destined to play
